ABOUT THE STUDIO

One creative partner for your digital presence.

DesignKaro Studio helps businesses build a strong visual identity and digital presence through

thoughtful design, branding, marketing and web solutions. The goal is simple: make your business look professional, communicate clearly and grow consistently online.

01

Creative-first

Designs built around clarity, consistency and a strong visual impression.

02

Business-focused

Every deliverable is created to support a practical business objective.

03

Digital-ready

From social media to websites, your brand stays consistent across platforms.

04

Flexible support

Choose one service or combine multiple services into a complete project.

OUR APPROACH

- **Discover** — understand your business, audience and requirements.
- **Design** — develop a clear visual direction and polished creative.
- **Deliver** — provide final, usable assets in the required formats.
- **Support** — refine, improve and extend your digital presence as needed.

Graphic Design

Professional visuals for everyday business communication.

What we do

We create clean, attention-grabbing graphics that help your business communicate offers, information and ideas professionally across print and digital platforms.

CORE DELIVERABLES

- Business posters
- Flyers & brochures
- Banners & advertisements
- Promotional creatives
- Certificates & documents
- Presentation graphics
- Custom marketing visuals

BEST FOR

Businesses, creators, events, campaigns and promotional activities.

THE RESULT

A consistent visual presence that makes your communication easier to understand and more professional.

Need something custom? We can combine services into a single project based on your business goals.

Logo Design & Brand Identity

Build a recognizable identity people can remember.

What we do

A logo is only the beginning. We can shape the wider visual identity so your business looks consistent across cards, social media, websites and marketing materials.

CORE DELIVERABLES

- Logo design
- Logo redesign
- Color palette
- Typography direction
- Business card design
- Letterhead & stationery
- Brand guidelines

BEST FOR

Startups, small businesses, personal brands and growing companies.

THE RESULT

A stronger, more recognizable brand system that can be used consistently.

Need something custom? We can combine services into a single project based on your business goals.

Social Media Design

Make every post look like it belongs to the same brand.

What we do

We design social media creatives that combine visual consistency with clear messaging, helping your profile look polished and campaign-ready.

CORE DELIVERABLES

- Instagram posts
- Stories
- Reel covers
- Facebook creatives
- Festival creatives
- Promotional posts
- Ad creatives
- Reusable templates

BEST FOR

Brands, local businesses, creators and social media campaigns.

THE RESULT

A professional social presence with reusable creative direction and stronger visual consistency.

Need something custom? We can combine services into a single project based on your business goals.

Digital Marketing

Turn your online presence into a growth-focused system.

What we do

We support digital promotion with creative assets and practical marketing direction designed around your audience, campaign goals and brand positioning.

CORE DELIVERABLES

- Social media marketing
- Campaign planning
- Content direction
- Promotional creatives
- Digital campaign support
- Brand promotion

BEST FOR

Businesses that want structured online promotion and better brand visibility.

THE RESULT

More consistent digital communication and campaigns built around clear objectives.

Need something custom? We can combine services into a single project based on your business goals.

SEO Services

Help the right people discover your business on search engines.

What we do

We improve the search visibility foundation of your website through on-page optimization, technical basics, local SEO and content-focused improvements.

CORE DELIVERABLES

- On-page SEO
- Keyword research
- Meta title & description
- Internal linking
- Technical SEO basics
- Local SEO
- Search Console setup
- SEO content direction

BEST FOR

Businesses that want sustainable organic visibility and better search presence.

THE RESULT

A stronger SEO foundation that makes your website easier for search engines and users to understand.

Need something custom? We can combine services into a single project based on your business goals.

Web Development

Modern websites designed around your business goals.

What we do

We build responsive business websites and landing pages with clean structure, mobile-friendly layouts and essential SEO foundations.

CORE DELIVERABLES

- Business websites
- Landing pages
- Portfolio websites
- Responsive layouts
- Basic SEO setup
- Performance improvements
- Website updates & maintenance

BEST FOR

Startups, local businesses, professionals, creators and service providers.

THE RESULT

A professional online home that works across desktop and mobile.

Need something custom? We can combine services into a single project based on your business goals.

UI/UX Design

Makedigital experiences cleaner, simpler and easier to use.

What we do

We design intuitive interfaces and page structures that help visitors understand what to do next while keeping the visual experience aligned with the brand.

CORE DELIVERABLES

- Website UI
- Mobile app UI
- Landing page UI
- Wireframes
- User flows
- Responsive layouts
- Interface design

BEST FOR

Websites, apps, SaaS products, landing pages and digital products.

THE RESULT

Clearer user journeys, better visual hierarchy and a more polished digital experience.

Need something custom? We can combine services into a single project based on your business goals.

Business & Creative Essentials

The supporting assets that complete your brand.

What we do

For businesses that need individual creative assets, we provide a flexible range of designs that can be ordered separately or combined with larger projects.

CORE DELIVERABLES

- Business cards
- Menus
- Invitations
- Packaging visuals
- YouTube thumbnails
- Certificates
- Presentation decks
- Custom creative work

BEST FOR

Restaurants, shops, professionals, events, creators and growing businesses.

THE RESULT

A consistent set of professional assets that supports your day-to-day business communication.

Need something custom? We can combine services into a single project based on your business goals.

PROJECT OPTIONS

Choose one service or build a complete package.

Every business has different needs. Instead of forcing every project into the same template, services can be combined into a custom scope.

STARTER

For individuals & small businesses

- Logo / basic brand asset
- Social media creatives
- Essential business designs

BUSINESS

For growing businesses

- Brand identity
- Social media design
- Website / landing page
- SEO foundation

GROWTH

For brands building a stronger digital presence

- Brand identity
- Website development
- SEO
